

ACKNOWLEDGMENTS

I wish to acknowledge the funding support from Suranaree University of Technology (SUT).

I would like to express my gratitude to Emeritus Prof. Dr. Kittitep Fuenkajorn, thesis advisor, who being my mentor and gave reviews to this work. I appreciate all his encouragement, suggestions, and comments during research. I would like to express my sincere thanks to Assoc. Prof. Dr. Pornkasem Jongpradist and Asst. Prof. Dr. Prachya Tepnarong for their valuable suggestions and comments on my research works as thesis committee members. Grateful thanks are given to all staffs of Geomechanics Research Unit, Institute of Engineering who supported my work.

Finally, I most gratefully acknowledge my grandmother and friends for all their support throughout the period of this study.

Sarusa Patanapongsonti
