

ACKNOWLEDGEMENT

First of all, I would like to express my deepest gratitude to my advisor, Assoc. Prof. Dr. Kaemwich Jantama for his supporting, invaluable guidance, suggestion, insightful feedback and encouragement throughout this research. Hence, I specially appreciate for providing me a fully fund under the One Research, On Graduation Scholarship (OROG).

I extend my sincere thanks to KJ team, especially to Dr. Chutchawan Phosiran and Miss. Walainud Chongthai and Miss. Kanyarat Onsanoi for their support in technical laboratories and assistances in my research works as well as administrative documents.

Finally, I am deeply thankful to my mom, Ms. Chanthy Tuon, grandparents, aunt and uncle, sibling and cousin for their unwavering love, support and encouragement throughout this journey. Special thanks are expressed to all my friend who always understand and support with the cheerful words during the most challenging times.
