

ACKNOWLEDGEMENTS

I am deeply thankful to my advisor - Dr. Sirinthorn Seepho for her essential guidance and valuable comments during the process of writing this thesis and academic publications. I highly value her dedicated supervision and great patience for the thesis completion.

I am truly grateful to the committee members of my thesis - Asst. Prof. Dr. Aphiwit Liang-Itsara, Assoc. Prof. Dr. Punyathon Sangarun, Assoc. Prof. Dr. Issra Pramoolsook, and Asst. Prof. Dr. Jeffrey Dawala Wilang - for their constructive feedback and suggestions.

I would like to express my special thanks to Assoc. Prof. Dr. Anchalee Wannaruk, Dean of the School of Foreign Languages, Suranaree University of Technology, for providing me with a grant to pursue my studies. My sincere thanks also go to all the lecturers for their inspiring teaching during the Ph.D. coursework, and to the staff for their warm support.

I am sincerely grateful to M.A. Bui Thi Thanh Truc, Dean of the Faculty of Foreign Languages, HUFLIT, for her support in helping me arrange suitable conditions to conduct my research experiment. I would also like to thank all my colleagues for their kindness. Most especially, my heartfelt thanks go to the research participants at HUFLIT, whose great cooperation made the data collection for both the pilot study and the main study possible.

I would like to give special thanks to all my friends at Suranaree University of Technology, who have kindly supported me and shared their friendship with me over the past four years.

Finally, I would like to express my deepest gratitude to my family, especially my father, Mr. Chau Kien, and my mother, Mrs. Duong Nguyen Hue, whose unconditional love and lifelong sacrifices have been the foundation of my academic journey.
