

ACKNOWLEDGEMENTS

I would like to express my deepest gratitude to my advisor, Assoc. Prof. Dr. Tatiya Trongsatitkul, for her unwavering support, guidance, and encouragement throughout the course of my master's studies. Her expert advice, insightful feedback, and constructive criticism were instrumental in shaping the direction and outcome of this research.

I am also sincerely thankful to the members of my thesis committee: Assoc. Chaiwat Ruksakulpiwat (Chairperson), Assoc. Prof. Dr. Pranee Chumsamrong, Assoc. Prof. Dr. Sanchai Prayoonpokarach, and Dr. Asira Fuongfuchat, for their valuable time, critical evaluation, and insightful suggestions which significantly enhanced the quality of this work.

My appreciation is further extended to my co-advisors, Assoc. Prof. Dr. Nitinat Suppakarn and Prof. Dr. Sang Yong Nam, for their generous academic support and expert guidance throughout the research process.

I am particularly grateful to Mr. Todsapon Kajornprai for his technical assistance, insightful discussions, and continual support during the course of this study.

This research was financially supported by Suranaree University of Technology under the Kittibandit Scholarship, for which I am sincerely thankful. I also acknowledge the research facilities provided by Gyeongsang National University and the Research Center for Biocomposite Materials for the Medical Industry and the Agricultural and Food Industry, which were vital to the completion of this work.

Special thanks are extended to Assoc. Prof. Dr. Saowapa Chaiwong for her kind support and expert advice regarding the application of this research in fresh produce packaging.

Finally, I would like to extend my deepest appreciation to my parents for their unconditional love, encouragement, and unwavering moral support, and to my friends for their constant companionship and support during this academic journey.

I also thank myself and wish to affirm that, regardless of the good or difficult experiences I have encountered, *“I am proud of and respect the path I have chosen”*.
