

CURRICULUM VITAE

MISS NUTTHIKA INTAKUL

Education:

- 2009-2013 B.Sc. (Chemistry), Rajamangala University of Technology Isan, Nakhon Ratchasima, Thailand.
- 2015 Ph.D. (Chemistry), Suranaree University of Technology, Nakhon Ratchasima, Thailand.

Work Experiences:

- 2014 – 2015 Research assistant at Rajamangala University of Technology Isan, Nakhon Ratchasima, Thailand.
- 2018 – 2023 Teaching assistant at Suranaree University of Technology
Courses: Fundamental Chemistry Laboratory I
- 2024 Teaching assistant at Suranaree University of Technology
Courses: Organic Chemistry Laboratory

Research Interests:

Application of high-performance computers to computational chemistry research has been the main interest. In particular, the use of computational methods such as quantum mechanics (QM) calculations and molecular dynamic (MD) simulation for studying condensed-phase systems is my most interest.

Grant and Fellowships:

- 2015- 2020 Scholarships for Potential Graduate Students to Study at Suranaree University of Technology.
