Thesis Submission Procedure on Suranaree University of Technology Intellectual (SUTIR)

1. The SUT institute submits the copy of completed Thesis Examination Assessment Form (Thesis Form No.23) to The Center for Educational Services and The Center for Library Resources and Educational Media (CLREM).
2. The SUT institute submits the copy of Notice with Vice Rector's signature (on the thesis approval page) to CLREM.
3. The librarian registers on SUTIR on behalf of the student within 3 working days following the receipt date of Thesis Form No.23 the thesis related details gained from copy of Thesis Form No.23. A link will be later sent to the student via an automated email for filling in name and surname, contact number, and password for signing in the SUTIR database. The student needs to click on the link. (Figure 1)

Figure 1 Example of an email screen from a system that sends a link prompting students to complete additional Information.

4. After the student clicks on the sent link, a window (Figure 2) will appear in order for the student to fill in data for registration.

The image shows a web form titled "Registration Information" from Suranaree University of Technology. The form is divided into two main sections. The first section contains fields for "First name*", "Last name*", "Contact telephone:" (with two stacked input boxes), and "Language:" (a dropdown menu currently showing "English"). Below this section is a note: "Please choose a password and enter it into the box below, and confirm it by typing it again into the second box. It should be at least six characters long." The second section contains "Password:" and "Again to Confirm:" fields, each with an input box. At the bottom of the form is a green button labeled "Complete Registration".

Figure 2 Example screen for students to fill in information and set a password to access SUTIR database to submit thesis files.

**** Password must be at least 6 characters. Password must not be forgotten.
Because students must use it to login to SUTIR database to submit thesis files. ****

Remarks: If the student is already registered. You will not be able to register again.

5. After completing registration and confirmation, students will be granted access by the librarian to upload their finalized thesis file to the SUTIR database within three working days from the registration date.

6. The student clicks on the link: <https://sutir.sut.ac.th/jspui/> in the email, clicks on the menu “Sign on to” to sign in the SUTIR database system, and selects the menu “My SUTIR” (Figure 3).

Figure 3 Example screen for Sign on to login to the SUTIR database

7. A window will appear for the student to enter SUTIR database system (Figure 4) in which the student needs to fill in the same email stated in Thesis Form No.23 and the registered password.

Figure 4 Example of a screen to fill in the Email and Password to log in to the SUTIR system.

Remarks: If you have forgotten your password for accessing the SUTIR database, click “Have you forgotten your password?” or contact a librarian to reset your password.

8. When the student signs in SUTIR database system, a window (Figure 5) will appear for the student to click on the icon “Start a New Submission” Submission.

15. Details regarding the thesis publication rights will be shown on a window, the student is required to click on the icon “I Grant the License” (Figure 12).

DSpace Distribution License ?

There is one last step: In order for DSpace to reproduce, translate and distribute your submission worldwide, your agreement to the following terms is necessary. Please take a moment to read the terms of this license, and click on one of the buttons at the bottom of the page. By clicking on the "Grant License" button, you indicate that you grant the following terms of the license.

Not granting the license will not delete your submission. Your item will remain in your "My DSpace" page. You can then either remove the submission from the system, or agree to the license later once any queries you might have are resolved.

17. The automated email will be sent by the librarian to the student within 3 working days following the submission date to inform if the submission is completed and correct or not. The message and link will be sent to inform the student to print the thesis report form if the data is correct (Figure 14). Afterwards, the student needs to submit both the form and the thesis to CLREM. In the case the data is not correct, the librarian will reject the submission and the student needs to correct the data and resubmit the thesis file.
